## Welcome to the new season!

It is an exciting time at DBYC as we now host the largest Flying Fifteen Fleet on the East Coast and we are passionate in growing our skills and knowledge as a team with the upcoming nationals being hosted close by at MYC

It's time to dust off the cobwebs and get your boat ready for the new season we start this weekend, yes! That's right this weekend. We have a lot planned including the Ossie Mac Trophy Regatta utilising the coaching skills of Gavin Dagley in two weeks time.

This years National Championships are at Mornington Yacht Club and I would hope we could field our largest fleet to date.

"Fast Forward" is about to get a new mast and I am hoping those of you that are keen to sail will give me a hand either Saturday arvo or early Sunday to get her rigged. As always,

if you would like to sail Fast Forward let me know and I will lock you into the program. Invitation to sail her at the Nationals are invited.

### Ossie Mac Trophy @ DBYC

Julie Lidgett and Ossie McCutcheon

The Ossie McCutcheon Trophy is being hosted by DBYC on the 21<sup>st</sup> and 22<sup>nd</sup> of October at DBYC. This is a must attend event. Covering two days of intensive coaching under the guidance of Gavin Dagley we have a great start to the season. Get your boats ready and be ready to soak up the knowledge.

### Who's new in the sailing ZOO?

We welcome a handful of new boats and sailors to DBYC this season and a few of the newbies are looking for a keen crew. Perhaps just on a week by week basis or with the intention to compete regularly up until and after the Nationals. If you are keen to crew and want to make the commitment let me know and I'll make the introduction. We welcome;

**Dale Collings and Wayne Fallows**  
Ff3930 – Aussie Falcon

**Michael Clark**  
Ff393 – WOW!

**Peter Milne**  
Ff3968 - Lapse in Reality

**Michael O'Connor**  
Ff3988 – Freshwater

*Please make our new members welcome and if you are looking for a flash ride let me know...*
